

Call for poster presentations:

The forum will offer the chance to present results, projects or research studies through a poster session.

Guidelines for abstract submission and poster presentation:

Content of posters has to be related to one of the main topics of the forum. These are:

- **Sport Coaching,**
- **Physical Education,**
- **Physical Activity and Lifestyle,**
- **Sport Management.**
- Other areas of Sport and Sport Education might also be accepted if agreed by the poster session committee.

Abstracts must summarize the content of the poster and can not have more than 300 words (not included title of presentation, name of presenter, institution, country).

Abstracts have to be in English.

Authors are not allowed to submit more than two abstracts as first author (it is possible to appear as a co-author on other posters and abstracts).

Posters must have size A0 (120 x 90 cm).

Deadline for abstract submission is 31st of July 2009. You will be informed about the poster session committee's decision as soon as possible.

Please send your abstract to: office@enssee.eu

In case of further question please refer to the same e-mail address.
